Re: *Yoder, et al. v. Town of Morristown, et al.*
Civil Case No.: 09-cv-0007 (TJM/GHL)

Dear Magistrate Lowe:

We write in response to Your Honor's request and to follow-up on our January 11, 2010 letter notifying the Court of the parties' meet and confer conference.

As a result of the January 11, 2010 "meet and confer," as well as other communications between counsel, both parties have exchanged supplemental discovery responses and are committed to further supplementing discovery responses by Friday, January 29, 2010. While some discovery disputes remain outstanding, the parties will more accurately be able to identify "discovery disputes" ripe for the Court's consideration once they have had an opportunity to review supplemental document production scheduled for Friday, January 29, 2010. Accordingly, unless the Court directs otherwise, we would propose to write Your Honor on or before February 5, 2010, listing any outstanding discovery disputes.

Respectfully yours,
